The latest fad. Your biggest fashion frustration. A memory-making experience (maybe secret) guilty pleasure. That's what Currents is all about--timely you think, feel, hear and see as you navigate your way through life. Without warrant action, we'll take it as a challenge to see how we can advocate particularly in the marketplace of products and services.

Here's our first topic: *How did you spend Mother's Day this year or a quote here. If you have a photo or video, please upload it*
